

COMB FILLER

REF: AIR1400

ALL UNITS
MEASURED
ARE IN
MILLIMETRES

General

The 1m Comb Filler provides a physical barrier to stop birds and large insects from entering the void between the felt and tiles. The product runs continuously along the top of the fascia board above the felt and is nailed into position with the fixing holes provided.

Fitting instructions

AIR1400 should be nailed to the top of the fascia board through the fixing holes provided along the full length of the eaves and joined where necessary.
